

Office hours with affluent staff often find the waffle of afflicted officials harder to decipher than a stiff fiddle.

---

AVAST! To We AVA. The kerning pairs above should pull glyphs together.

Line wrapping proof: the quick brown fox jumps over the lazy dog while the office fixture flickers in the afternoon, a ruffle of paper on the desk and a waffle of coffee staining the affidavit left behind by an afflicted officer who had to leave in a stiff hurry.

Second page. Another round of fi, fl, ff, ffi words: office, fluffy, affair, affix, afflict. AVA To We kern  
triggers repeat. A horizontal rule follows below.

---

End of smoke sample.
